

Union Dues Terms

My dues shall be in the amount of three percent (3%) of my monthly gross earnings, except that the minimum deduction shall be \$15.50 and the maximum deduction shall be \$45. These deductions shall begin in the next calendar month, on the day of the month I indicate below, after SEIU Local 2015's designated secure payment processor receives my Account information. Because the dues deduction is based on a percentage of gross earnings, the dollar amount deducted may change each month if my hours of work or rate of pay changes, and I agree to not receive any advance notice before the dues payment is deducted as long as the amount is between \$15.50 and \$45. In the case of checking and savings accounts, adjusting entries to correct errors are also authorized. I agree that these withdrawals and adjustments may be made electronically and under the Rules of the National Automated Clearing House Association. This authorization shall remain in effect until I revoke my authorization in writing to SEIU Local 2015 via U.S. mail or other permitted method. This authorization will remain effective if there is a break in my service as an IHSS/WPCS Provider and I am later re-employed as an IHSS/WPCS Provider.

I acknowledge that failure to pay my dues on a timely basis may affect my membership standing in the Union, as set forth in the SEIU Constitution and Bylaws and SEIU Local 2015 Constitution and Bylaws.
